

Steps for Video Conferencing.

- On your iPhone/Android open up AppStore/Google Play and search for True Conf. (You can also visit <u>http://vcon.sequelnet.com</u> and find the app for your device)
- 2. Download and install it.
- 3. Once installed open it.
- 4. On the main screen select Another server and enter the URL vcon.sequelnet.com

5. On the next window enter your username/password.
